Construction begins at Toronto's next great park }

Lanterra Developments has teamed up with Councillor **Kristyn Wong-Tam** and local residents on a unique development agreement that allowed for the creation of a 1.5 acre urban public park at the base of **11 Wellesley**, a striking new 60-storey condo tower.

The recent start of construction at 11 Wellesley marks the first step toward realizing the park as it embarks on the design process. Once complete, the urban park will feature an elegant public promenade and beautifully landscaped pathways surrounded by flower gardens and open lawn space.
